Hi Francesca,

Glad you are starting to feel better.

Of immediate concern are finalizing the DSO and allegation procedures. OGC sent comments last night (see attached).

Hi all –

Trying to get caught up **Ex. 6 Personal Privacy (PP)**
needs to happen right away.

1. Ok for **Ex. 6 Personal Privacy (PP)** attach the SCIC Agenda to the one-on-one meetings? Perhaps you all replied and I missed it – many many emails to slog through.
2. Do I now have the spreadsheet I need for the one-on-ones which I will try and do tomorrow? Slowly getting my voice back.
3. I will be forwarding an email and form I got from the IG that we need to fill in and then get an ok from Jennifer on – so that too is an ASAP kind of exercise.
What else is urgent?
Sorry – very bad timing for this virus to hit me so hard.

Thanks

Francesca

Hi all – Here is the proposed agenda for the next ScIC meeting. **Ex. 6 Personal Privacy (PP)** will be posting it to the one-on-one meeting invites around 11 on Monday. Let me know if you have concerns or edits.

(Luke – you only need to post it to 2 meetings by then. You can add it to the others later that day.)

Thanks

Francesca
